

Stallcups Journeyman Electricians Study Guide

The Best-Selling Book for Journeyman Exam Preparation - Updated for the 2008 NEC! All the information you need to correctly analyze, work out, and answer Journeyman exam questions. Stallcups Journeyman Electricians Study Guide, 2008 Edition provides the perfect balance of strategy and application to ensure your success on the Journeyman licensing exam. Recognized as the most complete and comprehensive Journeymans study guide available, this skill-building tool has over 1,500 sample exam questions broken down by subject to help you identify areas needing additional review. Detailed explanations and illustrations from renowned electrical author, trainer, and Code expert James G. Stallcup complement this hands-on learning style by providing reader-friendly discussions on how to determine the right answer. After reviewing Stallcups numerous tips and strategies, worked-out examples and calculations, and step-by-step solutions you'll be ready to confidently tackle your Journeyman exam.
