

Making My Own Rainbows is an attempt to dispel the narrow definitions still forced upon African-American women and present the complexities of their humanity. It is a journey through the vicissitudes of life, a journey which includes, among many subjects, love, triumph, temptation, defeat, jealousy, and joy. Like a magician, the author can take a few words and stir a slumberous spirit. Buckle your seat belts and be warned. This is not your great grandmothers poetry!

Proceedings: International Meeting on Petroleum Engineering : March 24-27, 1992, Beijing, China, Integrierte Erstellung numerischer Steuerdaten für flexible Fertigungssysteme (ISW Forschung und Praxis) (German Edition), The Collected Jim Maitland, Adventurer-Jim Maitland & The Island of Terror, Electrical Field Reference Handbook: Revised for the 2005 National Electric Code, Floating Drilling: Equipment and Its Use : Practical Drilling Technology (Practical Drilling Technology ; V. 2), engineering economy Science(Chinese Edition),
