

You Caught Me Kissing: A Love Story

For over fifty years, during the course of their entire marriage, Dorothy Bridges, one of the grand dames of Hollywood, wrote a love poem every valentines day to her husband, the international film and tv star, Lloyd Bridges. After his passing in 1999, she continued to write the poems out of love and memory. I SENT MY LOVE A VALENTINE: A LOVE STORY is the emotional saga of a legendary Hollywood family told from the inside, through Dorothy's poems and the vignettes by her famous children, Jeff Bridges and Beau Bridges, and their sister, Lucinda. Warm, tender and bittersweet, this is a triumphant tribute to the institution of marriage and book to be treasure on Valentines Day or any wedding anniversary.
