

Scorpion vs. Fates Intervention

Kirk Braden, alias Scorpion, at 38 is charming and handsome everything a woman could want. He lives his life as a solitary man, answerable only to himself. He exists on the edge of danger and intrigue an enviable life to most men. If there is a situation, be it dangerous and profitable, Kirk is in the thick of it. Ex-green beret and soldier of fortune, he finds himself embroiled in a life-threatening adventure where he meets his alter ego, Claudia Roberts, a beautiful raven-haired enigma with many aliases. For Claudia, it is loathing at first sight. He, on the other hand, is immediately attracted to her mysterious and alluring beauty. Join them in this deadly adventure on the high seas. Be prepared to hate Kirk and love him at the same time. The intrigue of trading in illicit bondage and mysterious events await you at every turn.
