

A Study Guide for the Operator Certificate of Professional Competence (CPC) in Road Freight is a vital study guide that offers the thorough preparation needed to pass the tough CRC exams. This is the Level 3 standard qualification overseen by OFQUAL and the Welsh Assembly Government which is required by any person wishing to operate vehicles over 3,500kgs maximum authorised mass for hire and reward, both nationally and/or internationally. A Study Guide for the Operator Certificate of Professional Competence (CPC) in Road Freight covers the examination method used by both OCR and CILT. It covers the 8 study sections that the directive requires: civil law; commercial law; social law; fiscal law; business; financial; management of the undertaking access to the market; technical standards and technical aspects of the operation road safety. The new book has been extensively revised to make it more accessible and understandable. It features many more case studies, examples, diagrams and graphics. There are also test questions for each section.
