

Essentials of Fire Fighting and Fire Department Operations 5th (fifth) edition Text Only

This manual is intended to provide the firefighter candidate with the information needed to meet the fire-related performance objectives in NFPA 1001, Standard for Fire Fighter Professional Qualifications, Fire Fighter I and Fire Fighter II. It also contains chapters which lead to meeting the requirements for First Responder at the Operational Level of NFPA 472, Standard for Competence of Responders to Hazardous Materials/Weapons of Mass Destruction Incidents. The methods shown throughout this manual have been validated by the International Fire Service Training Association as accepted methods for accomplishing each task.
