

Looking for the allure of the open road, a powerful engine revving between your legs and vibrations creeping through your body? Look no further! Now, get the first 3 books of The Cardinal Gang series, collected into a single hot, sexy volume! In *Joining the Gang*, young cocktail waitress Cassie is dragged away from her job by a group of sexy bikers. Carried out bodily over the shoulder of a massive man named South, she's tossed onto the back of a motorcycle - and the ride gets even wilder once the bikers return to their motel room... Next, in *A Night With the Gang*, Cassie decides that it's time to show these road-hardened warriors where a woman's touch comes in handy. Approaching a couple other girls at the bar, she invites them to join the bikers, for one big, happy, very sexy party, where it isn't just drink cups being filled! Third, in *Freeing the Gang*, after a confrontation with some thugs leads to the bikers being arrested, Cassie realizes that it's all up to her. But the only way to get her new family out of jail is to seduce the town's sheriff - and he has a tendency to cruelly dominate in all affairs, including sex... No matter whether you're on the road or simply relaxing at home, these stories are guaranteed to make your blood pulse and your heart race. Adult audiences with a penchant for urban, masculine motorcycle riders should not miss out!
