

The Collected Jim Maitland, Adventurer-Jim Maitland & The Island of Terror

Maitland & Standish-Two volumes of Sappers most memorable action heroes Herman Cyril McNeile (better known to his readers as Sapper) was a former soldier and prolific author of adventure and detective fiction. His Bulldog Drummond stories have become classics and have been abidingly popular with enthusiasts of the genre from the time they were first published to the present day. Leonaur has already gathered together the Drummond stories and has now turned its attention to the exploits of two more of Sappers great characters-monocled, two-fisted adventurer, Jim Maitland and the suave detective, Ronald Standish, whose exploits have been collected in two substantial and complementary volumes. These stories belong to a golden age after the First World War when men of the world threw themselves into danger for the sheer thrill of the game. Through Jim Maitland we experience high adventure across the globe, from burning deserts to steaming jungles (sometimes peopled by fantastical man-beasts). Aficionados of the Bulldog Drummond stories will see him echoed in Maitland in these exciting stories of thrills and desperate gambits. Leonaur editions are newly typeset and are not facsimiles; each title is available in softcover and hardback with dustjacket; our hardbacks are cloth bound and feature gold foil lettering on their spines and fabric head and tail bands.
