

Like a Beggar

Featured on NPRs The Writers Almanac Ellen Basss new poetry collection, Like a Beggar, pulses with sex, humor and compassion. The New York Times Bass tries to convey everyday wonder on contemporary experiences of sex, work, aging, and war. Those who turn to poetry to become confidants for anothers stories and secrets will not be disappointed. Publishers Weekly In her fifth book of poetry, Bass addresses everything from Saturns rings and Newtons law of gravitation to wasps and Pablo Neruda. Her words are nostalgic, vivid, and visceral. Bass arrives at the truth of human carnality rooted in the extraordinary need and promise of the individual. Bass shows us that we are as radiant as we are ephemeral, that in transience glistens resilient history and the remarkable fluidity of connection. By the collections end following her musings on suicide and generosity, desire and repetition it becomes lucidly clear that Bass is not only a poet but also a philosopher and a storyteller. Booklist Ellen Bass brings a deft touch as she continues her ongoing interrogations of crucial moral issues of our times, while simultaneously delighting in endearing human absurdities. From the start of Like a Beggar, Bass asks her readers to relax, even though bad things are going to happen, because the bad gets mined for all manner of goodness. From Another Story: After dinner, were drinking scotch at the kitchen table. Janet and I just watched a NOVA special and were explaining to her mother the age and size of the universe the hundred billion stars in the hundred billion galaxies. Dotty lives at Dominican Oaks, making her way down the long hall. How about the sun? she asks, a little farm shit in the endlessness. I gather up a cantaloupe, a lime, a cherry, and start revolving this salad around the chicken carcass. This is the best scotch I ever tasted, Dotty says, even though we gave her the Makers Mark while were drinking
