

Initiation (Chronicles of a Courtesan Book 2)

I've arrived at Chateau du Plasse, eager and willing for whatever education the Marquis wants to give me. Instead I'm met with derision by Lady Cecilia who brings me to my new home: Maison Dete. The pleasures of last night linger in my body and I force all thoughts of Francois out of my mind. I must focus on the road ahead of me and already my interaction with Lady Cecilia leaves much to be desired. My body pulses with need as I struggle with my first lesson: control. I'm not sure how any of the others deal with the pain of such sweet pleasure. When I see Francois in the hall, my heart stops. How will I be able to control myself with him so near? All I want to do is submit to him. The Initiation is a ~7200 word erotic historical romance short story featuring graphic scorching sex, voyeurism, and M/F. It's the second in the series. Please note: THIS IS NOT A NOVEL. This is a serial miniseries. This and its subsequent (9) parts will be compiled into three omnibuses, Act 1, Act 2 and Act 3, if you prefer to wait for these compilations instead.
