

## Do What You Gotta Do

In this sizzling story of family drama, money, and seduction, one woman's desire for a luxurious lifestyle leads her to prey on a vulnerable man until his father's suspicions threaten to undo everything. Aniyah Sanchez is a wild, sexy, and seductive woman and has just been released from prison for crimes of fraud, kidnapping, and embezzlement. Without parents to turn to, she's surprised when her aunt Tessa comes to her rescue and sets her up in an apartment until she can find work. But Aniyah is determined to move out and start a new life her own way by finding a wealthy man who can provide the extravagant lifestyle she longs for. That man turns out to be Jarvis Powell, Jr., who finds Aniyah very attractive and gives her a job at one of the banks owned by his father. There's just one problem: Jarvis's father is suspicious of Aniyah and will do everything in his power to protect the family legacy especially from a woman he suspects is trying to ensnare his son to get to the family fortune. Now, with Jarvis, Sr. watching her like a hawk, Aniyah is more determined than ever to win over his son. Will the bond of a father and son undo her plan, or will she finally get her chance at a new beginning?
