

Dilution is the Solution to Pollution. E un noto motto inglese che evidenzia la ragione per cui i flussi ambientali, caratterizzati da processi di diluizione e mescolamento, siano di grande interesse per i ricercatori. . . - Dilution is the Solution to Pollution. This is a well-known English motto and this is why environmental flows characterized by dilution and mixing processes are of great interest for scientists. . . volume a colori con numerose illustrazioni, grafici e tabelle
