

Radiant Angel (John Corey)

John Corey is back in a new novel from the #1 New York Times bestselling author. After a showdown with the notorious Yemeni terrorist known as the Panther, Corey has left the Anti-Terrorist Task Force and returned home to New York City taking a job with the Diplomatic Surveillance Group. Although Corey's new assignment with the DSG following Russian diplomats working at the UN Mission is thought to be a quiet end, he's happy to be out of the FBI. But Corey realizes something the US government doesn't: the all-too-real threat of a newly resurgent Russia. Prescient and chilling, DeMille's new novel takes us into the heart of a new Cold War with a clock-ticking plot that has Manhattan in its crosshairs.
