

Defensive Estimating: Protecting Your Profits

Have you ever walked away from closings with less money than you deserve? Stop letting it happen. Performed correctly, estimating is your key to keeping more of your hard-earned profit. Master builder and business expert Bill Asdal shows builders and remodelers how to estimate based on fiscal goals and protecting the company's bottom line. His unique approach to estimating gives readers user-friendly systems to improve the process and provides hundreds of ideas and simple suggestions. Asdal takes the magic and science of estimating and turns it into an art.
