

This generous abridgment of Stanley Lombardos translation of the Odyssey offers more than half of the epic, including all of its best-known episodes and finest poetry, while providing concise summaries for omitted books and passages. Sheila Murnaghans Introduction, a shortened version of her essay for the unabridged edition, is ideal for readers new to this remarkable tale of the homecoming of Odysseus.

Japanese Haiku, sexions, Scrambling Techniques for Digital Transmission (Telecommunication Networks and Computer Systems), Starfire LP: A Novel, The Fifth Form At St. Dominics A School Story, Latecomers, Constitutional Interpretation: The Basic Questions, Thirteen Departures from the Moon,
