

What do you do when the woman you love is marrying the wrong man? Sabotage the wedding! Anna is planning the perfect wedding, but she doesn't anticipate her future mother-in-law's offer of help which translates into take over. Her groom-to-be avoids her and insists their growing problems are just bridal nerves. Worst of all, her best friend, Robin, begins to act strange. Everyone around her has his or her own agenda. What's a girl to do when she begins to realize the perfect life she envisioned is all a lie? Robin has two great loves in his life: his best friend Anna and his motorcycle. Not one to make a scene, he supports Anna in her plan to marry the wrong man and regrets she can't accept his dare devil lifestyle. But when push comes to shove, he's more than willing to make the necessary sacrifice and prove he is the man she needs. As the wedding date grows closer and plans shift into high gear, Robin and Anna grow closer and not just as friends. Each must decide what the perfect life truly means while trying to negotiate the maze of wedding plans, secrets, and hidden motives. Will someone be left singing the blues?
