

Whispers of a Broken Heart: Love Poems

Whispers of a Broken Heart is an inspiring prose-poetry book about love, death, loss and grief. It recounts stories about people who fell in loves venturesome whirlwind and wound up overwhelmed by heartbreaks. It also tells of people who lost a person or an animal (pet) thats dear to their hearts, finding themselves not ready for saddening farewells and their horrid after-effects. This book uses a simple yet deep language that is fully intelligible. Each poem speaks on behalf of a broken heart, whispering at length and crying thousands of words that flow harmoniously to create a masterpiece of prose and poetry.
